You smile when you see him.
Is there something wrong with it?
Ah welcome.
Thank you as always.

I was in the same class as Takashi when I was in second and third year at high school
He accidentally saw me fight with a guy who I was going out with,
And we became friends.
As I thought, he's not cute,
Ah.
Is Kaji like that, too?
I'm surprised
Uwa, You, too?!
What do you mean "too"?
We spoke a lot and talked about our relationships
I was happy.
Huh?
Kaji? What is it?
Are you feeling bad?
No.
You should hurry and go. He's Princess waiting.

I smiled at him, called him a fool and comforted him
I've always watched Takashi,
Who easily fell in love,
I told him that he should meet a good guy soon
No way
Who easily slept around and who easily cried after being abandoned
I never thought···
He would be stolen away by someone
It's a stupid story·

He ran away with a friend in the middle of his third year at high school. Amazing!
His cousin lived with him since he was young.
